**Total Charges:**

\*As noted, some deviance in basic searches might occur due to individual need and direction of investigation, some parts of Add-ons may be added to basic search and some basic searches may be altered or omitted to fit each individual Investigation. Important: The Public Records and commercially available data sources used in this system may have errors. Data is sometimes entered poorly, processed incorrectly and is generally not always free from defect. This system should not be relied upon as definitively accurate. Before relying on any data this system supplies, information may need to be independently verified. For Secretary of State documents, the following data is for information purposes only and is not an official record. Certified copies may be obtained from that individual's state, Department of State and or Banks, financial institutions, and/or Subpoena's etc. Prices subject to change.
